

Lincoln Little League and USA Softball 2025 Sponsorship Opportunities

Lincoln Little League and USA Softball is preparing for the upcoming baseball and softball season and we would like to ask you to join our family of team sponsors and community leaders.

This past season was very successful as more than 400 children from our community participated at various levels of baseball and softball enjoying a season of healthy exercise, learning good sportsmanship, valuable coaching and fun com petition playing America's favorite pastime.

Our boys and girls represented our town well this past season with outstanding performances both in league play and tournament competition.

Our children continue to develop and we look to remain very competitive in all age groups going forward but we need your help to ensure we continue to maintain the high standards that Lincoln Little League and USA Softball is renowned for.
